Association of Calgary

Newsletter Fall 2014

Message from the President

During the summer break the members of the executive committee convened a number of times to organize the association member's information and other administrative tasks at the office. We now have all pertinent information about members logged in the computers for easy access and updates. I appreciate all the extra efforts rendered by the Association directors in particular Frank Mark, Ken Brown and Dinah Breu.

Our Secretary/Treasurer has decided to take retirement from the club. Inna worked for the CP Pensioners Association Calgary for more than ten years. She was a dedicated, detailed oriented Secretary who will be greatly missed. We wish her a healthy retirement. Your Association is now looking for a Secretary/Treasurer. Please contact me or any director of the Association if you are interested.

We have made arrangements with CP Rail Social Club to inform the Pensioners Association about their upcoming activities and functions. Dinah Breu, Communication Director and her phoning committee will forward this information to the Association members. Please ensure Dinah has your correct email id and phone number.

Early in the New Year the social committee will be completing the activities and tours for 2015. In order to finalize this, we are asking for your input and recommendations. A generic list of activities has been inserted in this news letter for you to pick. Please mark only 5 in the priority order and email either to Dinah Breu or Pat Brown. Alternatively, you can send it by post to the Association office.

In closing, I would like to invite you to join your fellow pensioners at the monthly luncheon and share your railway memories. In the mean time "Happy Retirement."

Surinder Rehill

May Club Meeting And Lunch

The regular monthly meeting of the C.P. Pensioner's Association was held on Tuesday May 13, 2014 at the Ogden Club Rooms. The meeting was well attended, with 45 members in attendance. No doubt the beautiful spring weather was partly responsible for the turnout.

Unfortunately our guest speakers were unable to attend. These speakers were representatives of C.P. Rail who were to inform us of the many changes that are occurring in the Ogden Shop Area. This meeting has been rescheduled.

A speech was given by Lyle Berge President of the National Council Of C.P. Pensioners on the results of the meeting held last summer. The National Council meets every 2 years in various parts of Canada to negotiate benefits for C.P. pensioners

Lunch was served at noon consisting of Pizza, salad, apple pie ice-cream and cake prepared and served by the wonderful ladies of our kitchen. This lunch was well appreciated by all the members in attendance.

A 50/50 draw and a raffle for a bottle of wine was held and the winners were:

Jim McKinnon ...\$30.00 John Sparks\$30.00
Ray Beirnes ...1 Bottle of wine

The Semi- Annual General Meeting of the C.P. Pensioners Association was held in the Ogden Club Rooms on Tuesday June 10, 2014. The meeting was attended by 38 members. The meeting was opened at 10:30 by President Surinder Rehill who then asked for one minute of silence in memory of all members deceased within the last 6 months.

Secretary Treasurers Report - Presented by Frank Mark - Frank reported that we had 253 members, with 40 new members and 21 members over 90 years of age.

REPORTS OF COMMITTEES -

Internal Communications - Surinder reported that the National Council of C.P Pensioners requested pensioners over 90 should be counted in our membership fees. He also reported on the retirement of our Secretary Treasurer Irna Wiebe due to health issues. Surinder praised her years of service and said how much we will miss her.

Sick and Visiting - John Sparks reported on members who required visitation and their present health and welfare. If you know of anyone that would appreciate a visit please let us know.

Travel Committee - Ken Brown reported on past trips and our obligations to the bus company to provide a minimum of 30 people in order to have a trip, At this point we have to partner with other people in order to gather enough people to ensure a trip. A recent bus trip was cancelled because of a lack of interest. A trip agenda will be posted in the club rooms and you will be able to register for future trips, or phone the club rooms for information.

Property - Ken Brown reported on additions and maintenance of the Club Rooms, also Ken reported on donations to the Club that require some decisions as to what we should do with them . eg. - keep them, give to the Glenbow Museum, or sell. Thanks to Doug Hartley's family for these recent donations to the Club.

Social Committee - Pat Brown reported on the last 6 lunches in which we fed 240 members and made \$1200.00 which does a great deal in supporting our Association. Pat thanked her assistants Janet Sparks, Marian Benner, Dinah Breu, Ruth Pattie and Doreen Gruszecki for all their help.

Newsletter Committee - Bill Benner reported on the cost of 200 copies printed for the Spring Edition and that postage increase accounted for an increase in our total cost.

for input . He mentioned that the Company may be ready for some movement on some previous Blue Cross requests.

We had an excellent speaker, Blain MacIsaac from the Company Pension Department who talked about the state of the pension plan. He reported that it is fully funded and, in the worst case scenario, we would be covered for future years. Our plan is number 21 in Canada's top 100 pension plans with total assets of 11 billion dollars. Looks real good!!

Lunch was served with beef on a bun and potato salad with a dessert of strawberry shortcake. Thanks to the ladies of the kitchen.

A 50/50 draw was held and both draws were won by Melchor Villa. The prizes were \$60 and \$30 was donated to the club.Thanks Melchor

WARNING FROM POLICE

THIS APPLIES TO BOTH WOMEN AND MEN

BEWARE OF PAPER ON THE BACK WINDOW OF YOUR VEHICLE-

NEW WAY TO DO CARJACKINGS (THIS IS NOT A JOKE)

Heads up everyone! Please, keep this in mind. You walk across the parking lot, unlock your car and get inside. You start the engine and shift into reverse. When you look into the rear view mirror to back out of your parking space, you notice a piece of paper stuck to the middle of the rear window. So you shift into park, unlock your doors, and jump out of your car to remove that paper (or whatever it is) that is obstructing your view.

When you reach the back of your car, that is when the carjackers appear out of nowhere and jump into your car and take off. They practically mow you down as they speed off in your car.

And guess what ladies? I bet your purse is still in the car. So now the carjacker has your car, your home address, your money and your keys.

Your home and your whole identity are now compromised!

BEWARE OF THIS NEW SCHEME THAT IS NOW BEING USED.

Here is what to do.

If you see a piece of paper stuck to your back window, just carefully back up and drive away. Remove the paper later when it is safe to do so (home possibly).

I hope you will pass this on to your friends and family, especially to women.

Your purse contains all kinds of personal information and identification documents, and you certainly do **NOT** want it to fall into the wrong hands
