Bowling News;;

Another bowling year is drawing to a close with tomorrow being the final bowling day to set your individual high records and determine the final team standings. April 28th will be our playoff day when the top team from season 1 (Frank Barnes) will meet the top team from season 2 to determine first and second place. There are still 3 teams in the running for top team in season 2. Should Frank Barnes' team also win season 2 they would be declared the Champions and the second place teams from season 1 and season 2 would play off for second spot. All the remaining teams will be divided into two divisions and will

play against each other for the Division A and Division B titles. Total pin count determines all winners on playoff day.

Although we started the year with a fairly long spare list of bowlers we have managed to incorporate most of those individuals into the regular lineup. By next season we will again be looking for interested parties to add to our roster so if you are interested in giving 5 pin bowling a try, we would love to hear from you.

Top over average bowlers for the last 4 weeks were:

March 24 - Charlie Rath - 216, Mike Dunn - 247, Louise Bolton - 277, Ken Ayling - 173

March 31 - Patsy Smith - 267, Fred Warriner - 279, John Elliott - 273, Norm Sayer - 222

April 07 - Joan DePapp - 205, Jack Watson - 275, Ken Whitby - 208, Tom McLachlan - 247

April 14 - Janice Fox - 229, Karen Mazereeuw - 236, John Longworth - 216, Ted Savauge - 215

See You at the bowling banquet, right here, on Friday May the 8th. Have a great Summer. We'll see you in September.
