Pension;

Article ;03 The fund;

All monies accruing to the Fund shall be deposited, in the first instance, in a Chartered Bank in a separate account to the credit of the Trustee and shall not form part of the Revenues or assets of the Company. The Fund shall be administered in accordance with the plan and the asset of the Fund shall be invested in the manner prescribed by the regulations and in accordance with such directions as the Pension Trust Fund Committee may give except as provided in the Defined Contribution provision.

The latest figures I have of the fund are ;  
The Pension Fund Plan has \$9.6 Billion in assets held in Trust By C.I.B.C,  
Mellon Trust Company.  
C.P.Rail Pension contributions over the past 4 years total \$2.2 Billion .

I have called Calgary twice to get the latest figure but I have not received any answer.

Our Pension fund is in good hands and it's also under the guidance of the Office of the Superintendent of Financial Institution Ottawa  
We all have received the Nomination letter for the Pension Representative. Unfortunately George Hucker has advised me Sunday that he is unable to run at present but will run in three years. I should of run 9 years ago when I was nominated. too late now and too old.

We should start looking at our own Chapter . I think the way I look at it we should do like the over the Hill Gang did. Abolish our Chapter. What I would like to do now is stay until June 2015 . That's our convention year in Montreal . That's in one year. Unless we start getting new members we are doomed. Maybe we could operate out of Burlington.

Daryl Currie ;.

Please try to attend Bart Marcolini's dinner last Thursday of every month. Appleby & Fairview, Burlington; Q.B Sport bar 1100am 4460 Fairview St. It's worth the drive and time to go and enjoy the fellowship.

Next meeting: May 28th 1100am
