Summer Edition 2020-3

HELLO TO ALL OUR MEMBERS

Hope this finds everyone doing as well as the current situation allows. While we all have been impacted by the restrictions and protocols, many found ways to enjoy what has been an exceptional Manitoba summer. Gardeners are enjoying great results, golfers and other outdoor enthusiasts have many fine days to follow their passions. Other have taken the opportunity to explore new outdoor activities, and many are exploring local scenic wonders. Sadly, there are too many sentenced by health issues, or living arrangements, to a daily grind of near-total solitary confinement, including fellow CP Pensioners.

Consider taking a moment and phoning a fellow pensioner, or older friend or neighbor. Your call might be the highlight of their day.

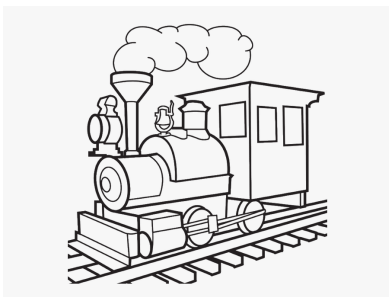

We are pleased to announce the regular luncheon meetings are scheduled to resume on the 2nd Tuesday of September (10th) at the Belgium Club. Seating and service will be as per the required protocols, and seating is restricted to 44 (forty-four) in total.

Members attending are asked to follow the recommended COVID-19 practices, and the directions of the wait staff. Let's keep everyone as safe as possible!

IMPORTANT: If you intend to go please notify Ron Hinkle, either by phone at 204-667-3520 or by e-mail: hinkleronald224@gmail.com, so he can notify the kitchen of the number of attendees. Be sure to do so no later than Sunday, September 6.

The Belgian Club is located at 407 Provencher Blvd.
Cost is just \$10.00 and is served at 12:30 pm. (or earlier if everyone is there!)

Should the situation change, and cancellation of the meeting be required, those who indicated they will attend will be notified as soon as possible. Hope to see you on the 10th.

National Council of Canadian Pacific Pensioners Associations

President's News Letter June 19, 2020.

Greetings from the National Council of Canadian Pacific Pensioners Associations (NCCPPA). In accordance with the NCCPPA by laws article VIII Section 1, I am here by submitting my first activities report of 2020. In addition to the continuation of some of the past initiatives, below I have listed some activities that we have undertaken.

- In collaboration with Perkopolis Account Manager and CP Pensioners Associations Windsor Ontario, steer the processes of issuing individual registration/log in codes to members of CP Pensioners Association Windsor. Once Windsor is completed Revelstoke Association would be the next. The members of the executive committee at the CP Pensioners Association Medicine Hat, Alberta have decided not to enroll with Perkopolis Discount Program.

- On March 3, 2020 Bob Cameron, Lyle Berge and I held a meeting with Blain MacIsaac, Director Pension Services and Kathleen Boucher, Manager Pension Services. We discussed to include the English/French copies of the new Pensioners Brochures with the pension application packages along with the updated contact list of the NCCPPA local chapters. The old contact list was certainly outdated. Lastly, we requested for the list of pensioners who have provided CP with their consents to sharing their contacts with the Pensioners Associations. I must add that this was a very productive meeting.

- Distributed to the NCCPPA chapters the list of the local pensioners who have provided consents. The officers at the local chapters should contact non member pensioners in their respective areas to informing them about their association's contacts, membership processes and activities as well as programs. Since the last few years, NCCPPA were never given these lists, however, going forward, I have requested CP to render every quarter the list of all new pensioners who have given their consents.

- Lyle has posted the new pensioners brochures on cp-pensioners.com under header "About". Please have a read. Once the pandemic is over printed copies will be provided to CP Pension Services to include with non-electronic pension application packages.

CP has a gradual return to work plan for various working groups. Other than essential front line workers, most of the employees are currently working from homes. As you are aware that due to the Covid-19 restrictions and lock downs, we had to cancel our May 22 & 23, 2020 NCCPPA Triennial Convention in London Ontario. Once things are normal and approval is given by the health authorities, we will ask all stake holders for rescheduling of the Convention.

In the mean time I wish everyone a safe and healthy summer

Respectfully submitted.

Surinder S.Rehill

President, NCCPPA
