Message from the President

May 2024

Here we are once again April Showers and Snow bringing May flowers!

Our General Meeting and Luncheon went off well again in April. We had a total of 65 people turn out (WOW!!). Monique and Vic must be doing something right, thanks again to them! We had another record-breaking 50/50 draw and we also had our regular Wine Draws with donations from Ken and Pat Brown (Never Forgotten).

The latest on Vice-President Dale Gale is that he is at home and on the mend. Hoping things are going well and hoping to see you soon (Helen). Yes, we do miss you both!!

A week after our General Meeting we had another Social Get Together, about 23 people showed for a good time and goodies as well!

Don't forget our Bowling get together on Monday May 13 at 1:00 PM at Toppler Bowl on Fairmount Drive. 20 people have signed up so mark your calendars, it's \$5 per game, shoes etc. supplied, it will be lots of fun!!

In the future we are hoping to have more Pool, Darts, Lawn Bowling, and Golf options. Group Trips are being looked into and we are always open to any other suggestions from the membership, drop a note in the Suggestion Box or approach any of the Directors with your ideas, we would love to hear from you!

A Financial Audit was done and despite some minor defects the Club's books are in order. I would like to thank Doug Noakes, Garry Nichols and Ray Beirnes for their hard work and effort. Special thanks also go out to the dedicated members who did this audit in the past; Alan McGunigal, Bruce Bennett and Art Tetz.

There will be a Guest Speaker at our May 14 General Meeting and Luncheon; Jason Rago from the Tour Operator "Beyond the Waterfall". It's been a long time since we did any trips together and we look forward to having options for members again.

A week after our General Meeting we will have our third Social Get Together on May 21 at 11:00 AM. It's always a good time with some nice snacks and treats, admission is still free. Thanks Monique, well done!!

Hoping to see you all at our General Meeting May 14 at 12:00, the Social on May 21 at 11:00 and don't forget Bowling on May 13 at 1:00 PM at Toppler Bowl. As always spouses, partners and friends are welcome to all our events!

Your President

Laurie Rupert
